Please indicate all the circumstances that may apply to your situation. These forms and documentation should be submitted through the Secure Document Upload in Joe’sSS or mailed to the Student Financial Services Office. Please send all documents together, and be sure to make **copies** of your documentation, as these documents will not be returned.

If your family’s current or future income is less than or different than in the 2024 calendar year because of one or more of the following conditions, and your Student Aid Index (SAI) is not already less than or equal to 0, an adjustment of your 2026-2027 FAFSA information may be possible. (If your SAI is less than or equal to zero, an adjustment to your FAFSA information will not change your eligibility for need-based aid and a Special Circumstance review will not be completed). **(Please check that you have attached all the following for the appropriate category.)**

IRS DDX INFORMATION

Students and parents who are eligible to use the IRS Direct Data Exchange (DDX) can access it from within the Free Application for Federal Student Aid (FAFSA) on the student or parent finances pages:

- The DDX tool easily transfers information with the click of a button, and instantly and accurately retrieves your information. Once you consent for your information to be pulled, you will be transferred to the IRS website. Authorization of identity will be required before any personal information is displayed. Make sure you enter your address exactly how it appears on your tax return. If the link to the IRS does not appear, then the student/parent is not eligible to use the DDX tool.
- Start by going to the [FAFSA 26-27](#) if you have not already finished the form.
- Enter your FSA ID. (**Note:** The person whose tax information is being transferred should enter his or her own FSA ID. Students will not be asked to enter their FSA ID if they entered an FSA ID to begin their FAFSA.)
- If the student and parent(s) filed or will file a 2024 IRS income tax return(s), as part of the Federal student aid eligibility, students and parent(s) (as appropriate), will be required to consent to import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student’s FAFSA using income and tax information directly from the IRS via the DDX.
- If 2024 income tax return information for the student or parent(s) was not transferred via the DDX and considered verified, the student or parent(s) should provide the institution with a 2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules to be uploaded through our Secure Document Uploader in Joe’S.
