

# MISSOURI S&T

## Graduate Tuition Rates Fall 2026 & Spring 2027

| Rate Type | Residence Status          | Tuition Per Credit Hour Rate | Activity & Facility Fee Per Credit Hour Rate (Caps at 12 hours) | Health Service Fee per Semester | Grad Council Fee per Semester |
|-----------|---------------------------|------------------------------|-----------------------------------------------------------------|---------------------------------|-------------------------------|
| Rate 1    | Missouri                  | \$602.00                     | \$42.00                                                         | \$223.59                        | \$4.17                        |
|           | Nonresident Domestic      | \$1,093.00                   | \$42.00                                                         | \$223.59                        | \$4.17                        |
|           | Nonresident International | \$1,420.00                   | \$42.00                                                         | \$223.59                        | \$4.17                        |
| Rate 2    | Missouri                  | \$683.00                     | \$42.00                                                         | \$223.59                        | \$4.17                        |
|           | Nonresident Domestic      | \$1,174.00                   | \$42.00                                                         | \$223.59                        | \$4.17                        |
|           | Nonresident International | \$1,501.00                   | \$42.00                                                         | \$223.59                        | \$4.17                        |
| Rate 3    | Missouri                  | \$792.00                     | \$42.00                                                         | \$223.59                        | \$4.17                        |
|           | Nonresident Domestic      | \$1,283.00                   | \$42.00                                                         | \$223.59                        | \$4.17                        |
|           | Nonresident International | \$1,610.00                   | \$42.00                                                         | \$223.59                        | \$4.17                        |
| Rate 4    | Missouri                  | \$820.00                     | \$42.00                                                         | \$223.59                        | \$4.17                        |
|           | Nonresident Domestic      | \$1,311.00                   | \$42.00                                                         | \$223.59                        | \$4.17                        |
|           | Nonresident International | \$1,638.00                   | \$42.00                                                         | \$223.59                        | \$4.17                        |

### Rate 1:

Applied Psychology (PhD)  
Industrial Organization Psychology (MS)  
Technical Communication (MS)  
Non-Degree Graduate

### Rate 2:

Applied Mathematics (MS)  
Business Administration (MBA)  
Data Science (MS)  
Economics & Innovation (MS)  
Information Science & Technology (MS)  
Mathematics (MST, PhD)

### Rate 3:

Applied & Environmental Biology (MS)  
Biological Sciences (MS, PhD)  
Chemistry (MS, MST, PhD)  
Geology & Geophysics (MS, PhD)  
Physics (MS, MST, PhD)

### Rate 4:

|                                           |                                      |
|-------------------------------------------|--------------------------------------|
| Aerospace Engineering (MS, PhD)           | Mechanical Engineering (MS, PhD, DE) |
| Applied Artificial Intelligence (MS)      | Metallurgical Engineering (MS, PhD)  |
| Bioengineering (PhD)                      | Mining Engineering (MS, ME, PhD, DE) |
| Ceramic Engineering (MS, PhD)             | Nuclear Engineering (MS, PhD, DE)    |
| Chemical Engineering (MS, PhD, DE)        | Petroleum Engineering (MS, PhD, DE)  |
| Civil Engineering (MS, PhD, DE)           | Systems Engineering (MS, PhD)        |
| Computer Engineering (MS, PhD)            | Water Science & Engineering (MS)     |
| Computer Science (MS, PhD)                | Undeclared Graduate Studies          |
| Electrical Engineering (MS, PhD, DE)      |                                      |
| Engineering Management (MS, PhD)          |                                      |
| Environmental Engineering (MS)            |                                      |
| Explosives Engineering (MS, PhD)          |                                      |
| Explosives Technology (MS)                |                                      |
| Geological Engineering (MS, PhD, DE)      |                                      |
| Geospacial Engineering (MS)               |                                      |
| Geotechnics (ME)                          |                                      |
| Manufacturing Engineering (MS, ME)        |                                      |
| Materials Science & Engineering (MS, PhD) |                                      |

A sponsored student fee will be assessed to International third party sponsored students each semester.

All International students will be charged a \$150.00 International student service fee each semester.

All International students will automatically be enrolled in the mandatory health insurance and charged per enrollment term.

A graduation application fee of \$75.00 (or \$25 completion fee for certificates) will be charged once your application is submitted.

Courses audited or taken for reduced credit will be counted at their normal credit value in computing the amount of fees to be paid. Students enrolling in zero credit courses are required to pay fees according to the equivalent credit for the course.

The official University of Missouri System tuition reassessment schedule can be found at <https://sfs.mst.edu/policiesprocedures/>  
Students who cancel, withdraw, or change their course load are subject to this policy.
